cept to make an arrest or to preserve

### Intimidation a Crime

"It is a crime for any one to as-

sault or intimidate any voter during the holding of an election, or to attempt to influence or overawe a voter, or to prevent him from voting.

"It is the duty of every ungistrate or police official, having in custody any one charged with crime, to furnish the accused or his counsel, free of charge, with a copy of the charge so that bell may be entered for the accused.

"No voter can be assisted in marking his ballot unless he declares to the judge of the election that he has a disability and by reason thereof needs assistance in marking his ballot.

"A voter is guilty of a crime who falsely declares that he has disability and therefore needs assistance. He is

open on election day for the purpose of protecting citizens in their legal positive rights, and I will be ready to secure prompt writs of linear corpus in cases bers.

llegal arrests.
I call upon the law-abiding citizens 'I call upon the law-abiding citizens, in case they see acts of intimidation, thingery and other violation of the law, to obtain the names and addresses of the law-breakers and the names and addresses of any witnesses who may be present and to promptly report to me so that the arrests may be prompt and the prosecution and partsiment swift and certain. To this end I pledge the power of my office."

New York, Nov. 3.—Julius Forstmann and the firm of Forstmann & Hoffman Co., who were accused of being involved in Germany's 'wood plot' exposed by the State Department's disovery early in 1918 of the "Hans Smith letters" to the imperial government. have been declared innocent of all blame. In a letter to their counsel, made pub-lie last night, Merton E. Lewis, for-

lie last night, Merton E. Lewis, for-merly state attorney general reversed his opinion by which on April 3, 1918, he aproved a subordinate's finding that they were disloyal citizens.

The Forstmann & Hoffman Co. was mentioned among other persons and firms in the Smith correspondence deal-ing with a plot to buy large amounts of wool here for war shipment to Ger-many. Alfred L. Becker, then deputy attorney general, reported that in his opinion Julius Forstmann was involved in the "wool plot."

Mr. Lewis's letter declared that "any public officer may make a mistake in war times when quick action is required but where it appears that an innocent man has suffered with the guilty, I feel it my duty to say so and express my regret."

cially warms aliens not to attempt wholly or in part, or will be recognize to vote, reminding them of the investigation he is now making into eligibility of those who were exempted from the draft and who voted at the pri-

gressman Moore that he expects loyalty

Rotan's Warning

His statement follows:

"The appreaching general election prompts me to renew the statement which I made before primary election respecting the rights of citizons in the exercise of the franchise and the rights and duties of election officers, city employes, policemen and other persons having to do with election.

"All election officers are privileged from arrest while performing their duties on election day, except on warrant issued by a judge of a court of record and no election officer can be arrested on election day on a warrant issued by a magistrate.

"A police officer, whether in uniform or otherwise, has no right to be it or about any polling place, or within fifty feet, thereof, either during the count ing and preparation of the return, except to make an arrest or to preserve are recorded.

Aside from the possibility of disloy. Continued From Page One Aside from the possibility of dislay alty, the average worker who has been in city polities for many years believes in the honesty and fairness of Congressian Moore. As an old-timer put it today, "Hampy knows the game, He's a good fellow, and I don't be live be will go after us little fellows, by will go after us little fellows."

All of Congressman Moore's public closed for require and a detour had to declarations have been to the effect that reprisals would follow disloyalty, but his statement is believed to be directed toward the big leaders and not directly at the ordinary worker in the middle of the truck, vaniteered to get out and ask for directions.

## Look for No General Cleanup.

As the sheriff's office, now in full control of the Vares, is not under civil service, most of the employes of this service, most of the employes of this cally worked at his throttle and brake department expect the "gate." They are busy looking for new berths elsewhere, either in or out of the city

### Ohio Claims Landlord Who Has Not

Raised Rents

Akron. O., Nov. 3.—America's most remarkable landlord has been discovered here. He is a man who not only will not profiteer, but during the last six years has not increased the rents on his tenants at all. He is renting six modern have room frame decelling to modern five-room frame dwellings to day at the same price which he charg-ed the first year his tenants moved in. The houses rent at \$30 a month. Other similar houses here are renting at \$60 and \$75 a month.

### "Fly Flags Tomorrow," Asks Moore Committee

860 and \$75 a month.

Fly your flags tomorrow and shyour patriotism by voting the Re-publican ticket, is the word that comes today from the Moore United Republican campaign headquarters.

"It seems to me that Tuesday should be a day of patriotic en-thusiasm," said Murdoch Kendrick, manager of the United Republican campaign. "The flags ought to be flying from every home and from every place of business in the city. It's the patriotic duty of citizens to link the mayoralty campaign with all the great movements toward national progress. The better the cities the progress. The better the cities the better the states, and in the end the better the country. It's the patriotic suty of Americans to vote for Con gressman Moore."
